### **\*\*Starting in person in the Fall\*\***

\* **Seminole County Public Schools-**There are three opportunities for schools in Seminole County: Idyllwilde (Sanford), Pine Crest (Sanford), Sand Lake (Altamonte Springs).

One opportunity is Reading Accelerated Program (RAP) and that is helping first graders catch up on their reading (30 minutes per student).

Mentoring is another opportunity. For this you will be paired with a student in elementary school and meet with them at lunch. You will work on academic achievement and future goals. You may also be asked to talk about tardiness.

Last is helping out in the classroom. Sometimes students need a little extra help and the teacher cannot provide due to lack of time or too many students.
